Experience

Scout Studio · Designer

2017 – PRESENT · BOSTON, MA

Member of Northeastern's student-run design studio. Work with clients to develop their brand, print materials, and websites. In the Spring, will be a UI/UX designer for a not-yet selected project.

Northeastern's Makerspace · Laser Monitor

2017 – PRESENT · BOSTON, MA

Help students create work to cut on the laser cutters in Ryder Hall. Use programs like CorelDRAW and Full Spectrum Laser to prepare files.

Readorium · Design Intern

SEPT 2015 – MAY 2016 · TEANECK, NJ

Created visual and marketing materials, including book covers, scientific illustrations/diagrams, banners, and flyers. Designed two text-based scientific games for Readorium's online reading program.

College of Arts, Media, and Design · Peer Mentor

SEPT 2017 – PRESENT · BOSTON, MA

Led a class for freshmen and transfer students within CAMD at Northeastern. Mentor students and provide advice and feedback for them during their first semester at Northeastern.
