Barnard College

SUMMER 2015
Pre-college program, took classes in Architectural Culture and Psychology of the Media.
New York, New York

Personal

Born in New Jersey, I thrive in lively environments. My love of problem-solving is only surpassed by my passion for comic books. Originally a self-taught designer, I consistently work hard to learn new and useful skills.

Interests

Layout design · Typography · Comic books · Art History ·
Cats · UI/UX · Product Design
